

Corridor Study

MOUNT MORRIS + LEICESTER

The Mt Morris-Leicester Route 36 Corridor Study will produce a strategy for making transportation related safety and access improvements along the Route 36 Corridor from Mt. Morris to Leicester. The project began in late winter 2020 and the planning process so far has taken us through some key data and initial analysis.

We need your help!

Please join us for a community **Virtual Open House!**

Please join us to:

- ✓ Learn about the planning process
- ✓ Identify issues, opportunities & assets
- ✓ Share your vision
- ✓ Participate in a live session with the consultant team and project sponsors. Check the Open House site for details

Go to: <https://publicinput.com/route36>

The Site Goes Live September 14th

Save the Date - Live Sessions with the Project Sponsors:

September 22nd and 30th - 6:00 - 7:00 PM

(For details go to: <https://publicinput.com/route36>)
