Prioritization and Recommendations

Prioritization Activity

Our Implementation Approach

- ☐ Corridor Coordinating Committee
- ☐ Select the most important recommendations based on committee feedback and community feedback
 - ☐ Identified **15** recommendations that we think are high priorities
 - ☐ Choose recommendations that you would like to prioritize from this list
- ☐ Once we determine the top priority recommendations, we will prepare the implementation section.
 - ☐ Will include the Corridor Coordinating Committee as the foundation

Next Steps

- Revise draft based on comments
- Complete implementation section with priority projects
- Final document and executive summary
